Validity of the information

The information and conditions contained in these pages are valid from the date of their last update. Redsys reserves the right to modify them at any time, in which case they will become effective as of their publication and will be applicable to all users of the portal from that date. The contents of the portal, especially the informative and advertising references, unless expressly stated otherwise, do not constitute a binding offer. Redsys reserves the right to introduce modifications or partially or totally omit the current contents of the Redsys portal when it deems appropriate, as well as to prevent or restrict access temporarily or permanently.

Personal data

Redsys fully complies with current legislation on the protection of personal data and confidentiality commitments specific to its activity. Redsys has adopted the necessary technical measures to maintain the required level of security, according to the nature of the personal data processed and the circumstances of the treatment, in order to avoid, as far as possible and always according to the state of the art, its alteration, loss, treatment or unauthorized access.

Redsys has a Privacy Policy where it is described, in detail, our efforts for transparency and the security of the information we handle.

Intellectual and industrial property

The Redsys portal, the pages it comprises and the information or elements contained therein, include texts, documents, photographs, drawings, graphic representations, databases, computer programs, as well as logos, trademarks, trade names, or other distinctive signs, protected by intellectual or industrial property rights, of which Redsys or the companies of its Group are legitimate licensees.

Redsys does not guarantee the permissibility and legality of the information or elements contained in the pages of the Redsys portal when the ownership of the same does not correspond to Redsys or to the companies of its Group.

Prohibited and permitted uses

Any form of exploitation is forbidden, including any type of reproduction, distribution, transfers to third parties, public communication and transformation, through any type of support or means, of the aforementioned works, creations and logos without prior express authorization from their respective owners. Failure to comply with this prohibition may constitute an offense punishable by current legislation.

However, at their own risk, the users may download or copy such elements exclusively for personal use, provided that it does not infringe any of the intellectual or industrial property rights of Redsys. In particular, the users can not alter, modify or delete them totally or partially. In no case, this will mean an authorization or license on the property rights of Redsys or the companies of its Group.

It is prohibited, except in cases expressly authorized by Redsys, to establish links or hyperlinks, from third-party portals or websites to Redsys websites other than the main page of its portal, accessible on the URL <http://www.redsys.es>, or the one that replaces it in the future, as well as presenting the web pages of Redsys or the information contained in them under frames, logos, trademarks or social or commercial denominations of another person, company or entity.

Responsibilities

Redsys does not guarantee the continued access, nor the correct visualization, download or use of the elements and information contained in the Redsys portal pages, which may be impeded, hindered or interrupted by factors or circumstances beyond its control.

Redsys is not responsible for the information and other content integrated in spaces or web pages of third parties accessible from the Redsys portal through links, hyperlinks or information and other content integrated into spaces or web pages of third parties from which access through links, hyperlinks to the Redsys portal or any of its web pages, or the information and contents of any third party web page that appears under the appearance or logos of Redsys, unless expressly authorized by the latter.

Redsys does not assume any responsibility in relation to the information, contents of all kinds, products and services offered or provided through the Redsys portal by third parties or entities.

Redsys is not responsible for damages, harm, losses, claims or expenses, caused by:

(i) interference, interruptions, failures, omissions, telephone breakdowns, delays, blockages or disconnections in the operation of the electronic system, caused by deficiencies, overloads and errors in telecommunication lines and networks, or by any other cause beyond the control of Redsys.

(ii) illegitimate intrusions through the use of malicious programs of any kind and through any means of communication, such as computer viruses or any other

(iii) improper or inappropriate use of Redsys web pages

(iv) security or navigation errors caused by a malfunction of the browser or by the use of non-updated versions thereof.
